

Unto the people of the Barony of Nordskogen do Baron Ilya and Baroness Saraídh send greetings!

Congratulations to Prince Hrodir and Princess Anne, new Heirs to the Kingdom of Northshield. We are particularly delighted to have Princess Anne ascend as Her Stellar Highness, as She is a beloved former Baroness of Nordskogen. For the new Heirs, Vivant!

Now that warm weather has returned to Our lands, we have been pleased to hold contests to determine who Our new champions will be. We are happy to announce that His Excellency Baron Rodrigo was victorious at Our Tournament at THACO, and are thrilled to have him as Our new Armored Combat Champion. We also recently held a competition to determine Our Archery Champion. Lady Gwennlian won the competition and will replace Lord Philip. Both of these noble archers had only recently joined Our barony when they won this championship, and we are delighted to have both of them as part of the barony. Vivant Rodrigo and Gwennlian!

Camping season has begun, and Warriors and Warlords will soon be upon us! We look forward to the opportunity to host gentles from across the kingdom. WW is an opportunity for the Barony to showcase our skills and our hospitality. But beyond that, it gives Us a special occasion to recognize the many worthy members of our populace. But we cannot be everywhere, so we rely on our populace to help us to celebrate those who are contributing to the glory of Our fair Barony. Please send us award recommendations. You can submit them by filling out the form at <http://nordskogen.northshield.org/awards/awardrec.html>, or email us at baronage@nordskogen.northshield.org.

And as Ilya says, when camping, always find flat ground and don't skimp on your stakes. We look forward to seeing many of you at camping event throughout this summer season.

In service to the lands of the eternal snowflake,
Ilya and Saraídh
Baron and Baroness of Nordskogen
Ninget! (Let it snow!)
